

## PNP-Special Action Force Director's Time

Taguig City, Metro Manila, May 22, 2019 – Pamilya Muna Pilipinas, Inc. in partnership with the Philippine National Police-Special Action Force launched the PNP-SAF Director's Time last May 22, 2019 at the Function Hall of One Serendra in Bonifacio Global City, Taguig, Metro Manila. The program was an initiative of Police Brigadier General Amando Clifton B Empiso, the Director of PNP-Special Action Force. Such was a time of equipping and enhancing the skills of the senior leaders of SAF which included his Command Group, Directorial Staffs with their section chiefs and the Battalion Commanders and their deputies. The resource speaker was Ho Sun Yee, partner of Decision Process International (DPI) who had more than 33 years experience in management and leadership development in the Singapore Armed Forces (SAF), the healthcare sector and non-profit sector. He is also a member of the board of directors of Pamilya Muna Pilipinas and serves as the Committee Chair of its Uniform Personnel Engagement. He shared thoughts on Strategic Thinking and Decision Making. Strategic Thinking involves Situation Management and using our analytical thinking skills in solving problems and challenges. It teaches how to face this VUCA (volatile, uncertain, complex and ambiguous) world, see the big picture and use the appropriate strategy in facing our complex environment. Examples from Lee Kuan Yew, Steve Jobs and other industries were shared to include the factors of their successes. In SAF, the commander's decision must be precise and accurate as his decision can be a matter of life and death to his men. In line with SAF's tagline, by "Skill and Virtue, We Triumph" – seminars like these are there to enhance their skills both in their professional and personal life. This is just the start of series of leadership development seminars for the senior leaders of PNP-SAF. This learning event was also made possible by PMP volunteers – Cheps and Rose Espina.
